

WEEKLY INSIGHTS

Member of the Month

This year marks the 25th anniversary of Relay For Life and the Relay For Life of Kingman is ready to celebrate, remember and fight back.

What is Relay For Life? It is the American Cancer Society's signature activity that happens around the world. It brings a community together for a life changing event. Teams of friends and family camp out at White Cliffs Middle School as they have for the past 5 years and walk or run (their choice) the track for 12 hours. Does this mean that you have to be walking the whole 12 hours? No, as long as one person from each team is on the track... all is good. To read more go to our website: www.kingmanchamber.org.

Chamber supports JTED Funding

As the state legislators scramble to come up with their proposed Budget the Kingman Chamber of Commerce and many other Organizations urge them not to cut the Mohave/La Paz JTED Funding. For many years our tax dollars have funded JTED programs all around the state. Now that we have taken this to the vote of the citizens and they have approved, the state is cutting us out. They have made the decision not cut or raise the funding for the existing programs so they have no incentive to support our program. Don't our students deserve the same education that the students in the rest of the state receives!

HAVE YOU SEEN THE NEW EVENT SIGN ORDINANCE?

If not, we encourage you to check them out on our web-site www.kingmanchamber.org or the City of Kingman Web-Site
